

ORDEM DOS NOTÁRIOS
ANNIVERSARY **10th**

Lisbon, 4-5 March 2016 - Sheraton Hotel

Dear Sir/Madam,

In celebration of the 10th anniversary of the Ordem dos Notários, a training event and conference will be held 4-5 March at the Sheraton Hotel in Lisbon. The training event, to be delivered in partnership with Centro de Estudos Judiciários (CEJ), is entitled “the New Inventory Process Regime”. Led by the ON, the conference will focus on two major themes: *“Justice in Portugal: Problems and Challenges”* and *“Reinventing the Notarial Profession in Today’s Technological Society”*.

We have designed these initiatives to further the process for training of notaries and other legal professionals on the Inventory Process Legal Regime and facilitate reflection and discussion concerning current issues facing notaries and the justice system, while celebrating the first decade of the Ordem dos Notários.

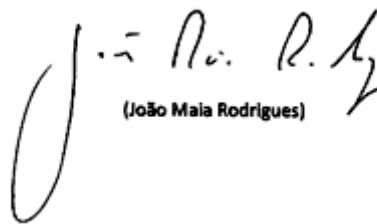

Some of the leading personalities in the Portuguese legal system and notaries from around the world will participate with a view to fostering critical analysis.
